ABOUT CAMILLA

Camilla has been specifically on European matters. She works on applications, patent infringement and general IP Strategy and litigation systems. She has worked in private law firm and in-house Patent Attorney, gaining valuable experience.

Camilla is active in the Danish Patent Attorneys, where she is also a valued lecturer.

As the Patent Director, she continues to provide advice and is an advisor to many of our clients.

Camilla has special interests in electronics, telecommunications, software, photonics and nanotechnology. She has published in patent professional Magazines and newspapers.

Camilla graduated in 1995 with a Master's degree, where she qualified as a lawyer. She completed the European Patent Studies (CEIP) course for the representation of clients.

Camilla is a member of the Danish Patent Attorneys Association.
